Only Rain in the Storm Drain - You may think that it's ok for little things here and there to be put down the storm drain. It's easy to forget that your one little thing and my one little thing eventually add up to create a monster problem. Our storm drains don't filter what we put into them.

They run directly into the bay. To help keep them clean, properly dispose of your motor oil, pick up after your pet, take your car to a car wash, follow the directions when you spray and fertilize your yard and **please don't rake your leaves into the storm drain!**

Flags Across the Community Scouts BSA Troop 1659

A heartfelt thank you to all of our 2023 customers for continuing to support our Scouts BSA Troop! Your flag orders allow us to keep our troop active and our gear in tip-top shape!

For over 20 years, the young men of Scouts BSA Troop 1659 have been placing flags in yards around Oak Creek Village in recognition of our patriotic holidays. For the remainder of 2024, a U.S. Flag will be placed in your yard for Memorial Day (May), Flag Day (June), Independence Day (July), and Veterans' Day (November). Our scouts provide you with an outdoor flag and pole, installing a flat device in your yard that will not interfere with lawn maintenance.

We are pleased to also offer military branch flags. Choose from Army, Navy, Air Force, Marines, or Coast Guard. U.S. Flag only is \$28 for the year; a U.S. Flag plus one military branch is \$40. Additional military branch flags can be added for \$8 each, and you can add as many additional military flags as you'd like to your order.

Troop 1659 also participates in Wreaths Across America, which allows us to place sponsored wreaths on the graves of service men and women at Houston National Cemetery. For only \$17, you can sponsor a wreath to be placed on graves at Veterans' cemeteries around the country every December, thanking the fallen hero for their service, and sharing a blessing for their families.

These fundraisers allow our youth to provide a service to the community, learn patriotism, and work to accomplish various outdoor and high adventure type activities. It teaches them the importance of "earning their own way" in scouting. Your support of our boys is invaluable!

Please visit www.ihTroop1659.org to place your secure order online, or email IronHorseTroop1659@gmail.com for more information.

The Pearl from page 1

This summer, the Pearl Fincher Museum of Fine Arts has curated a one-of-a-kind exhibition that features toys as contemporary art. "The Toy Canvas: Artists at Play" features toys in photography, sculpture, mixed media and more.

Visitors will be transported into a realm where nostalgia meets innovation, as artists breathe life into the toys and memories of our childhood. The exhibition explores the theme of play, and includes an interactive zone where visitors can engage in play while discovering their own creativity.

"These aren't just works of art; they are portals to a world where play is an art form," says Courtney Gardner, director of the Pearl. "We are so excited about this exhibition, and I hope you'll join us as we rediscover the magic of play, and the infinite possibilities of our imagination."

"The Toy Canvas: Artists at Play" opens at 10 a.m. Saturday, June 1 for a members-only preview until 11 a.m. A Family Day for the general public will be held that day from 11 a.m. to 2 p.m. Opening Day will be full of fun and festivities for all ages. Admission is free, but Family Day registration is appreciated at pearlmfa.org.

The Pearl will also host Wild Art Wednesdays again this summer, with free art activities every Wednesday from 2:00 to 4:00 p.m., beginning June 5. Register for a 20-minute time slot at pearlmfa.org.

Located at 6815 Cypresswood Drive in Spring, TX, the Pearl Fincher Museum of Fine Arts is open 10 a.m. to 5 p.m. Tuesday through Saturday. Admission is free. For more information, visit pearlmfa.org.

Summer Art Camps

Registration is underway for the 2024 Summer Art Camps at the Pearl Fincher Museum!

Camps will be held each week from June 3 - August 2. Camps offer a variety of themes in all-day or half-day formats, for ages 5 to 8 and 9 to 12.

Each day, children will spend time in the galleries of the Pearl Fincher Museum of Fine Arts, exploring the summer exhibition, "The Toy Canvas: Artists at Play." Surrounded by the magic of play and the infinite possibilities of our imagination, campers will be inspired to head back to their studio classrooms and create their own works of art.

Among the many themes offered during this summer's art camps are Mini Masters, Creatures, Puppetry, Toys in Art, Comics and Character Design, Modern Art, Fashion Design, Anime, Fiber Art, Digital Design, LEGO Brick Club, and more! Campers explore new mediums, techniques, and principles of art through hands-on visual art lessons, outdoor activities, and special instruction from guest artists. They will learn the principles of art, artistic processes, art history and more. For course descriptions and to register, visit pearlmfa.org.

Northwest Forest Republican Women's Club

Northwest Forest Republican Women welcome Lt. Governor Dan Patrick as the guest speaker for the May 13th meeting. Prior to serving as Lt. Governor, The Honorable Dan Patrick served as State Senator for SD 7. First elected Lt. Governor in 2014, he was re-elected in 2018 and 2022, winning by nearly 800,000 votes.

Known as a preeminent voice for principled conservative policies in Texas and across America, he is a frequent guest on Fox News and is seen as an expert on border issues and a fighter for the Second Amendment. He won the fight and got Texas homeowners and businesses the biggest property tax cut in Texas history, increased funds for mental health, opposed excessive lockdowns and mandated responses to COVID 19 in 2020, and led the way to open Texas before any other state. Under Lt. Governor Dan Patrick's leadership, legislation was passed making it easier to vote and harder to cheat in Texas elections. Following Winter Storm URI in February 2021, he has called for more needed dispatchable power and natural gas to meet the grid needs for the present and future.

Please invite family, friends, and neighbors to hear elec-

tion news from the Texas Lt. Governor!

How you can help the spring migration? Here are two simple ways you can help, according to bird conservation experts: Switch off non-essential outdoor lighting to reduce confusion and crashes. And pick up litter and avoid littering – litter can be dangerous for birds when mistaken for food and swallowed.
